Re: Cabot Oil & Gas Corporation Response to EPA CERCLA Section 104(e)
Request for Information, Dated January 6, 2012

Dear Ms. Zia:

As indicated in our prior responses to the above-referenced RFI, Cabot Oil & Gas Corporation reserved the right to supplement its earlier RFI responses to the extent additional responsive information is identified. In accordance with that reservation, please find enclosed additional documents responsive to the above-referenced request, bates labeled CABOT-EPA-130494 - CABOT-EPA-130500. This submission includes (1) a spreadsheet that summarizes transcription errors Cabot identified in the previously submitted comprehensive EDD spreadsheet; and (2) two spreadsheets containing additional isotopic data associated with previously reported water samples.

Thank you very much and do not hesitate to contact me with any questions or comments.

Very truly yours,

Bracewell & Giuliani LLP
